

**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

Application of Southern California Edison Company (U 338-E) For Approval of its 2003 Revenue Requirement and Related estimates Under the Energy Resource Recovery Account (ERRA): For Approval of its 2003 AB57 Trigger and Threshold Amounts; and For Approval of a Proposed Scope and Schedule for ERRA Proceedings.

Application 03-04-022  
(Filed April 1, 2003)

**ADMINISTRATIVE LAW JUDGE'S RULING  
REOPENING THE PROCEEDING**

Unrelated to this proceeding and prior to the October 3, 2003 submittal date set at the conclusion of the September 3, 2003 evidentiary hearing and noted on the Commission's Daily Calendar of October 7, 2003, Southern California Edison Company (SCE) requested authority to delay filing its next Energy Resource Recovery Account (ERRA) application to October 3, 2003 from October 1, 2003. The Executive Director granted that authority on October 1, 2003.

SCE then determined that the delay in filing its next ERRA application precluded it from timely filing a reply brief in this proceeding. Therefore, SCE requested an extension of time to October 8, 2003 from October 3, 2003 to file its reply brief. The Chief Administrative Law Judge granted SCE's request on October 2, 2003 and made it applicable to all parties.

To accommodate receipt of reply briefs beyond the stated submittal date, this proceeding must be reopened and a new submittal date set.

Therefore, **IT IS RULED** that:

1. Application 03-04-022 is reopened for the receipt of reply briefs on October 8, 2003.
2. This proceeding shall stand submitted on October 17, 2003.

Dated October 8, 2003, at San Francisco, California.
